

**Maine Climate Council**  
**Natural and Working Lands Work Group Meeting**  
**Friday, February 7, 2020; 9:00 a.m. - 4:00 p.m.**  
**(snow date February 14, 2020)**  
**Deering Building, Room 101, 90 Blossom Lane, Augusta**

**Desired Outcomes**

By the end of this meeting, we will have:

- Considered Agricultural Lands technical information from speakers and pre-reading
- Discussed initial Agricultural strategy ideas
- Considered further Forestry-related technical information
- Further identified possible natural and working lands mitigation and adaptation strategies
- Agreed on the timing and format of stakeholder feedback sessions
- Provided opportunities for public input
- Offered input re: the content and design of subsequent meetings
